I submitted with a copy of Pro: No 676-715 of 14th July 1902 in which the attention of the Heads of Depts has been invited to the instructions laid down in Govt Pro: No 9651-92 of 11th Feby 1898 Mis 7 67-92 which says that "proposals for increase of pay or for change of the nature of the appointment among the retired European Officers should be sent to Govt for transmission to the Govt of India.

In the present case, there is no change in the nature of the appointment as Colonel McGann will, even after the change of designation, be attached to the Palace. Para 6 of Serial No 11 & para 3 of Serial No 16 shew that it had already been proposed that Col McGann should be Durbar Surgeon.

The point for consideration is whether duties of Palace Physician & Durbar Physician differ from those of Durbar Surgeon. If they do not, no reference to the Govt of India seems necessary.
